

MATHS WEEK ENGLAND

Celebrate Maths Week England and discover why “3” is a magic number at MathsCity from Tues 14th – Sat 18th November!

This year MathsCity will have a zone dedicated to Maths Week England.

Above our usual exhibits you will be able to try your hand at our daily Maths Week England puzzles, tackle the three spires of the Tower of Hanoi, decipher our encoded phrases, and learn some spellbinding mathematical magic a focused around the number 3.

Maths Week England is an annual national celebration of mathematics. This year the theme of the week is “Three is a Magic Number”. To find out more about Maths Week England, please visit: mathsweekengland.co.uk.

Running from Tuesday 14th to Saturday 18th November, these extra activities are available alongside our permanent exhibits – at no extra cost.

Venture inside MathsCity and climb inside our giant bubble, play with the laser ring of fire, and get hands-on with all our exciting puzzles and games.
