

**MATHSCITY** LEEDS

**This Christmas holiday the elves have taken over MathsCity, turning it into their winter workshop...**

**ELVES' WINTER WORKSHOP**

**21st December - 5th January**  
(Closed 24th - 26th December)

This Christmas holiday the elves have taken over MathsCity! Help them make festive mathematical zines and Christmas crafts whilst searching the centre for lost gifts...

**Help the elves build their presents with:**

# **Festive Crafts and Mathematical Zine Making!**

This half term activity will include:

- Festive zine making, with examples of our favourite mathematical zines
- Winter crafts, from snowflakes to origami presents depending on the day
  - A hunt for the elves' presents around the centre

**> BOOK TICKETS NOW**

Venture inside MathsCity and climb inside our giant bubble, explore shapes with the laser ring of fire, and get hands-on with all of our exciting puzzles and games.
